Databases

Ancestry.com is the world's largest online family history resource. While you are at BML, discover your history, and start your family tree.

General OneFile Find an article on almost any topic in Jewish history. Go to www.brightonlibrary.org, choose "Databases," then "News & Research," then "General OneFile." Try typing keywords "Jewish history" to start; the database will offer related terms that might be useful in your search.

Pronunciator is an online language learning program that teaches practical conversation in 100+ languages. Learn Hebrew or Yiddish from home through self-directed lessons, live teachers, movies, music, and more. Go to www.brightonlibrary.org, choose "Databases," then "Buying/Legal/Language," then "Pronunciator," then "Instant Access," and finally "Launch Pronunciator."
